Personal Healthcare
Smart Touch Screen TV

15LU766A

Provide your patients with the smart solution, 15.6" multi-touch based Arm TV, for a superior hospital experience. The 15LU766A series enables personalized interactive service with its multi-touch screen and webOS operating system, which is the optimal platform for Patient Engagement Providers in the industry. Its industrial panel is durable and will sustain long operation. The LG IPS panel technology provides great viewing angles for multiple viewers in a hospital environment.

Pro:Centric Information Management Solution
Pro:Centric SMART is optimized for customizing information and entertainment services through an IP & RF infrastructure.

Pro:Idiom
Securely provide entertainment content with Pro:Idiom DRM (Digital Right Management) which prevents illegal copying on your LG devices.
